DIRECTIONS –

From I89: Take Exit 7. Go straight through the first two light intersections and take a right at the third light onto Airport Road (if you go left you'll be beside the hospital, and you don't want that). Go up the hill and turn right onto Industrial Lane. We are up the hill on the left (across the street from the Blue Cross Blue Shield building).

Our building is the second red warehouse beside the cemetery. The main entrance is across from the white fence, but the handicap entrance is at the back of the building.

RSVP – to Chelsea at: (802) 828-1310 or by email: vtddc@vermont.gov
