

CALL TO ACTION

Are you a Vermonter with a disability?
Are you worried about how the State's 2021
Budget might affect you?
Lawmakers want to hear from you!

Contact your Lawmakers

Email them by August 31st.

The budget hearing's schedule may be full, but you can still introduce yourself to your Senators and Representatives.

Write an Effective Email

Keep it short.

Don't write more than a few sentences.

Say why you emailed them.

Developmental services make a BIG difference. Say that you get services and you need them.

Say, "We need a rate increase."

Agencies are struggling. A 3% rate increase will help them to stay open and deliver services.

Save the Date

You can [watch/listen to the hearings](#) as they happen on Youtube.

- [August 26th](#) from 5:00pm to 6:00pm
- [August 27th](#) from 1:00pm to 2:00pm
