REQUEST FOR PROPOSALS (RFP) **EMPLOYING VERMONTERS WITH DISABILITIES** RESEARCH BRIEF

The Vermont Developmental Disabilities Council is pleased to accept proposals for the research and analysis of the barriers, opportunities, and trends impacting the employment of Vermonters with disabilities in the current State economy. Proposals may target one phase of a multi-stage project, but must result in materials – a preliminary report, infographics, etc. – that present a significant set of findings. The successful applicant should anticipate working with government sources, including the Vermont Division of Vocational Rehabilitation and the Department of Labor, to collect quantitative data. The inclusion of qualitative data is welcome but optional. The project may include all disability sub-types, but must include developmental disabilities, as defined in 42 USC 15,001 et seq (2000).

1. BACKGROUND

The Vermont Developmental Disabilities Council (VTDDC) is a state-wide board created under the federal Developmental Disabilities Assistance and Bill of Rights Act [the Act]. Its mission is *to help build connections and supports that bring people with developmental disabilities and their families into the heart of Vermont communities*. Sixty percent of VTDDC members are people with disabilities or family members who are appointed by the Governor; other members are representatives from state and nonprofit agencies.

VTDDC receives federal funding to support advocacy and systems change activities that improve services and supports for people with developmental disabilities. With these federal dollars, VTDDC funds activities to increase the availability of person- and family-centered supports and to promote independence, self-determination and community inclusion. VTDDC also advocates for and works toward increased public awareness of issues affecting people with disabilities and their families.

VTDDC follows the federal definition of “developmental disability”; specifically, a disability that happens before the age of 22 that affects three areas of daily living. This is broader than the definition used for developmental services by the State of

Vermont, and includes people covered by Choices for Care and other Vermont programs for people with certain physical disabilities.

For more information about VTDDC, please visit our website: www.ddc.vermont.gov

2. OVERVIEW OF REQUEST FOR PROPOSALS

Every five years, VTDDC engages in a review of the needs of people with developmental disabilities in Vermont. From this, the Council builds a new Five-Year State Plan that will guide how the Council uses its resources—including VTDDC’s annual allocation of federal funds—to improve the lives of people with developmental disabilities. All VTDDC grants must support the implementation of one or more goals or objectives in the Five-Year State Plan. To review the VTDDC Five-Year State Plan for 2017–2021, please see: www.ddc.vermont.gov/projects

2.1 Term of Agreement

The term of the grant agreement arising from this RFP shall be for an anticipated 12 – 14 months, from August 1, 2019 to no later than September 30, 2020. VTDDC may consider additional support depending upon the availability of funds.

VTDDC has made up to \$30,000 available for this project during FFY ’20.

6.2 Business Associate shall provide Covered Entity with the names of the individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR § 164.404(c), and, if requested by Covered Entity, information necessary for Covered

Entity to investigate the impermissible use or disclosure. Business Associate shall continue to provide to Covered Entity information concerning the Breach as it becomes available to it. Business Associate shall require its Subcontractor(s) to agree to these same terms and conditions.

6.3 When Business Associate determines that an impermissible acquisition, use or disclosure of PHI by a member of its workforce is not a Breach, as that term is defined in 45 CFR § 164.402, and therefore does not necessitate notice to the impacted individual(s), it shall document its assessment of risk, conducted as set forth in 45 CFR § 402(2). When requested by Covered Entity, Business Associate shall make its risk assessments available to Covered Entity. It shall also provide Covered Entity with 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low probability that the PHI had been compromised. When a breach is the responsibility of a member of its Subcontractor's workforce, Business Associate shall either 1) conduct its own risk assessment and draft a summary of the event and assessment or 2) require its Subcontractor to conduct the assessment and draft a summary of the event. In either case, Business Associate shall make these assessments and reports available to Covered Entity.

Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by Covered Entity, Business Associate shall make its mitigation and corrective action plans available to Covered Entity. Business Associate shall require a Subcontractor to agree to these same terms and conditions.

In addition, when a Breach involves more than 500 residents of Vermont, Business Associate shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. Agreements with Subcontractors. Business Associate shall enter into a Business Associate Agreement with any Subcontractor to whom it provides PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity in which the Subcontractor agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI. Business Associate must enter into this Business Associate Agreement before any use by or disclosure of PHI to such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of PHI. Business Associate shall provide a copy of the Business Associate Agreement it enters into with a subcontractor to Covered Entity upon request. Business associate may not make any disclosure of PHI to any Subcontractor without prior written consent of Covered Entity.

Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for amendment to PHI that Business Associate directly receives from an Individual.

12. Accounting of Disclosures. Business Associate shall document disclosures of PHI and all information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528. Business Associate shall provide such information to Covered Entity or as directed by Covered Entity to an Individual, to permit Covered Entity to respond to an accounting request. Business Associate shall provide such information in the time and manner reasonably designated by Covered Entity. 13. Books and Records. Business Associate shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether Business Associate is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate the contract or grant without liability or penalty if Business Associate does not cure the breach within the time specified by Covered Entity; or (b) immediately terminate the contract or grant without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. Covered Entity has the right to seek to cure any breach by Business Associate and this right, regardless of whether Covered Entity cures such breach, does not lessen any right or remedy available to Covered Entity at law, in equity, or under the contract or grant, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

15. Return/Destruction of PHI.

15.1 Business Associate in connection with the expiration or termination of the contract or grant shall return or destroy, at the discretion of the Covered Entity, all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this contract or grant that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of the PHI. Business Associate shall certify in writing for Covered Entity (1) when all PHI has been returned or destroyed and (2) that Business Associate does not continue to maintain any PHI. Business Associate is to provide this certification during this thirty (30) day period.

15.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI. This shall also apply to all Agents and Subcontractors of Business Associate.

16. Penalties and Training. Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in training regarding the use, confidentiality, and security of PHI.

17. Security Rule Obligations. The following provisions of this section apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

17.1 Business Associate shall implement and use administrative, physical, and technical safeguards in compliance with 45 CFR sections 164.308, 164.310, and 164.312 with respect to the Electronic PHI that it creates, receives, maintains or transmits on behalf of Covered Entity. Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.

17.2 Business Associate shall ensure that any Agent and Subcontractor to whom it provides Electronic PHI agrees in a written agreement to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written agreement before any use or disclosure of Electronic PHI by such Agent or Subcontractor. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the written agreement to Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any Agent or Subcontractor without the prior written consent of Covered Entity.

17.3 Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an Agent or Subcontractor). Business Associate shall provide this written report as soon as it becomes aware of any such Security Incident, and in no case later than two (2) business days after it becomes aware of the incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.

17.4 Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the contract/grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the contract/grant continue in effect.

18.2 Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.

18.3 Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule, and the HIPAA omnibus final rule) in construing the meaning and effect of this Agreement.

18.5 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.

18.6 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity even if some of that information relates to specific services for which Business Associate may not be a "Business Associate" of Covered Entity under the Privacy Rule.

18.7 Business Associate is prohibited from directly or indirectly receiving any remuneration in exchange for an individual's PHI. Business Associate will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing the PHI may not be sold without Agency's or the affected individual's written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 14.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set forth in Section 11 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

Five-Year State Plan 2017-2021 Goals & Objectives

Goal 1

VTDDC will reduce barriers to competitive employment and effective health care services for people with developmental disabilities in two (2) underserved Vermont communities characterized by significant economic poverty.

Objective 1.1

⇒ In collaboration with partner organizations, work to bring health outcomes for people with developmental disabilities closer to those of people without developmental disabilities in an underserved Vermont community.

Objective 1.2

⇒ Promote the use of available funding and programs for competitive employment for Vermonters with developmental disabilities living in two (2) underserved communities characterized by significant economic poverty.

Objective 1.3

⇒ Support initiatives that position Vermont as a leader in developing and expanding entrepreneurial opportunities and innovative approaches to job training for people with developmental disabilities, especially those living in underserved communities.

Objective 1.4

⇒ Promote peer-to-peer training and support as a highly valued part of person- and- family-centered care planning for people with developmental disabilities.

Goal 2

VTDDC will nurture and support a powerful movement of self-advocates and family members prepared to advocate for policies, programs, and funding that realize the vision of the Federal Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 USC 15,001 *et seq* (2000)].

Objective 2.1

⇒ Identify and collect information about Vermonters who have a developmental disability, including those who meet the federal definition of “developmental disability” [42 U.S. Code §15002(8)] but who do not meet the State of Vermont definition of “developmental disability” for the purposes of receiving home and community based supports (HCBS) [18 V.S.A. §8722(2)].

Objective 2.2

⇒ In collaboration with VTDDC’s Network Partners – Disability Rights Vermont and the UVM Center for Disability and Community Inclusion -- conduct multiple leadership training opportunities where self-advocates and family members come together to learn how to model and advocate for inclusion, self-determination, productivity, and independence.

Objective 2.3

⇒ Engage self-advocates and family members through the dissemination of information and alerts; through soliciting their input about the issues impacting their lives; and through assisting them in practicing advocacy skills, including at the local and regional level.

Objective 2.4

⇒ Build a repository of stories from self-advocates and family members in multiple formats (audio, video, or written) that can be used as advocacy and training tools.

Goal 3

VTDDC will vigorously seek changes in Vermont's many service systems so that Vermonters with developmental disabilities – including those who are currently not identified as having a developmental disability under Vermont law [18 V.S.A. §8722(2)] – and their family members have greater and more equitable access to supports that foster the four values in the Federal Developmental Disabilities Assistance and Bill of Rights Act of 2000: community inclusion, self-determination, productivity, and independence.

Objective 3.1

⇒ Through a public awareness campaign, disseminate information widely about the prevalence, accomplishments, stories, and needs of the estimated 86,000 Vermonters with developmental disabilities, including those who do not qualify for home- and community-based services (HCBS) through the state Developmental Services System of Care.

Objective 3.2

⇒ Advocate that the Developmental Services System of Care place greater emphasis on pro-actively supporting individuals rather than reacting to crises and expand the percentage of eligible individuals who receive home and community-based services (HCBS).

Objective 3.3

⇒ Promote access to existing care coordination services through provider training, appropriate accommodations, and targeted outreach for people with developmental disabilities.

Objective 3.4

⇒ In collaboration with VTDDC's Network Partner, Disability Rights Vermont, which is Vermont's the Protection and Advocacy Agency, advocate that the Choices for Care program offer the same services and supports to people 18 to 64 years of age as the Developmental Services program offers to people with developmental disabilities, including supported employment.

Objective 3.5

⇒ Advocate to expand family support funding, including funding for respite.
